

## GANNETT FOUNDATION

# GRANT APPLICATION FORM 2018

**Closing date: Monday, 8<sup>th</sup> October 2018**

The Gannett Foundation is the charitable arm of Gannett Co, Inc., owner of Newsquest Media Group, which is multimedia, marketing solutions Company. The Gannett Foundation provides funding to support local projects and organisations in areas where Newsquest operates. The funds are managed by the Quartet Community Foundation. In the last 10 years alone, the Gannett Foundation has made grants in the UK alone totalling nearly £4 million.

We value practical and creative projects that bring lasting benefits to the communities and neighbourhoods served by our products and online audience. That includes schemes for neighbourhood improvement and local problem-solving, economic development, youth development, education and cultural enrichment, care of the elderly or infirm, help for the disadvantaged or disabled, and environmental conservation.

We particularly invite clearly reasoned applications asking for specific items of equipment or materials. Most of our applications are for relatively modest sums meeting every-day needs, but we will consider worthwhile projects on a bigger scale. And we are also able to join with other contributors to support elements of more ambitious projects. While preference will be given to ideas which create a durable legacy for the community, we will consider single events or projects of limited duration that otherwise meet our criteria.

#### Restrictions:

- Applicants must be registered charities
- Applicants must not have received a grant from us within the last two years
- We will NOT fund:
  - salaries, professional fees or day-to-day running or maintenance costs
  - general appeals as opposed to specific projects
  - projects that do not bring benefits to our local communities
  - political or religious objectives
  - state or privately run schools (other than special needs) or hospitals (other than hospices)
